

Supporting Our Communities

At Bay of Quinte Mutual Insurance, we're proud to be an active part of the communities we serve. Since 1874, our guiding principle has been simple: neighbours helping neighbours. Today, we continue that tradition by supporting causes and initiatives that matter most to our policyholders.

Rooted in Agriculture

Agriculture is at the foundation of who we are—and it remains an important part of our story today. In honour of our roots, we support agricultural organizations and sponsor industry awards that recognize excellence and innovation.

We're proud to support 4-H, helping to develop the next generation of community leaders. Our contributions to Farm Town Park in Stirling help preserve and celebrate rural Ontario's agricultural heritage

Giving Back Where It Matters

Being community-focused means showing up and making a difference. Each year, we support local events and organizations that strengthen the communities where our policyholders live and work.

As Presenting Sponsor of the Prince Edward County Memorial Hospital Foundation's 40th Anniversary fundraising event, we proudly contributed \$50,000 toward a new state-of-the-art mammography machine for the new Prince Edward County Memorial Hospital—helping enhance access to vital diagnostic care in the region.

Proceeds from our 30th Annual Charity Golf Tournament were donated to The ROC Youth Services. Together with our partners, brokers, and business associates, we were proud to present a cheque for \$12,750.

We also support a wide range of organizations, including:

- Campbellford Fair
- Keep Kids Warm
- Hospice Prince Edward
- Almost Home (Kingston)
- 851 Squadron Royal Canadian Cadets
- Ride for Dad
- Bridge Hospice
- Inverary Youth Activities
- Shannonville Agricultural Society
